  - b) When there is a club midweek comp there will also be a seniors non qualifying roll up. **This is what is already being done and it was confirmed.**

### AOB

There was a proposal that we should have a nearest the pin competition for all comps. This was not seconded but it was generally felt we should have nearest the pin more often.

Patrick said that Ken had agreed that when we are restricted to one tee we should, in consultation with the pro shop on the day, try and get some groups off early and also some starting on the 14<sup>th</sup> tee.
