AUTUMN TOUR TO DORSET
29th September / 1st October 2019

On our highly recommended Autumn Tour we will be going to play at three splendid courses in Dorset :-

BROCKENHURST MANOR : This is Centenary Year for BMGC. A Harry Colt- designed woodland course, rated in the top ten in Hampshire, with not only trees but water hazards and well-positioned bunkers lying in wait.

BROADSTONE: Set in glorious countryside, this is one of the best heathland courses in England. 250 acres of rolling terrain, with free-running fairways through pine, gorse and rhododendrons. Magnificent views.

ISLE OF PURBECK : Set high on a promontory overlooking Studland Bay, this spectacular course straddles the Purbeck Hills. Consistently rated in the British Top 100 courses.
