

Type	Format	Playing Handicap	Scoring	Comments/Examples																									
Four Ball Better Ball – Matchplay	Played as teams of two on a hole-by-hole basis.	90% of the Course Handicap for the appropriate tee.	<p>The best stableford score amongst the teams i.e., the better ball, will win the hole. If scores for a hole are equal then the hole is halved.</p> <p>A match is won when one team has won more holes than there are holes left to play. If both teams have won the same number of holes the match is deemed 'all square'.</p>	<p>Players receive strokes based on the difference between their Playing Handicap and that of the lowest Playing Handicap player (who plays off zero strokes). Example:</p> <table> <tr> <th>Player</th><th>Course Handicap</th><th>%</th><th>Playing Handicap [rounded to whole number]</th><th>Strokes received</th></tr> <tr> <td>Harry</td><td>15</td><td>90</td><td>14 (13.5)</td><td>0</td></tr> <tr> <td>Jamie</td><td>29</td><td>90</td><td>26 (26.1)</td><td>12</td></tr> <tr> <td>Peter</td><td>17</td><td>90</td><td>15 (15.3)</td><td>1</td></tr> <tr> <td>Paul</td><td>34</td><td>90</td><td>31 (30.6)</td><td>17</td></tr> </table>	Player	Course Handicap	%	Playing Handicap [rounded to whole number]	Strokes received	Harry	15	90	14 (13.5)	0	Jamie	29	90	26 (26.1)	12	Peter	17	90	15 (15.3)	1	Paul	34	90	31 (30.6)	17
