## Autumn Tour – Hawkstone Park 24 – 26 September 2024

**We have secured a superb tour based at Hawkstone Park. We will play at:**

**Druids Heath:** Located near Walsall, Druids Heath Golf club is amongst the very best golf courses in the West Midlands with famously fast greens that are playable all year round. Once you begin your round on the well-manicured course with tree lined fairways and fast sloping greens you will be impressed by the views across open countryside, despite being so close to the Midlands major roads network. The Lake Course is now nearing its 25th anniversary and continues to demand the full attention of thousands of golfers each year.

**Hawkstone Park - Championship Course:** The Championship Course is Hawkstone Park's youngest layout but it won't feel youthful when you play. Weighing in at 6,763 yards (Blue tees) it is noticeably longer than the Hawkstone Course and features many Americanisms – including generous fairways and large water hazards – which create an interesting juxtaposition with the stunning, and very English surroundings.

**Hawkstone Park - Hawkstone Course:** The 18-hole Hawkstone Course is where a young Sandy Lyle learnt his trade. It boasts some excellent holes. Particular highlights come around the turn and include holes such as the 12th, which has cleverly made use of the castle's moat. Measuring 6,487 yards (White tees), this course is long enough to pose a question of even the best player's golf game while not being overbearing for the more senior player.
